

AGENDA

Kirtland's Warbler Conservation Team Meeting Kirtland Community College Health Sciences Center

4800 W. 4 Mile Road

Grayling, MI 49738

April 3-4, 2018

Remote Access Info:

Please refer to the body of the agenda for access information specific to 4/3 and 4/4

Meeting Goal: To assemble the full Kirtland's Warbler Conservation Team and the Kirtland's Warbler Conservation Community to share information, discuss important, emerging developments for the species and identify opportunities for collaboration.

Meeting Objectives:

1. Review and discuss elements of the delisting process
2. Share updates and developments on activities (habitat, funding, planning) that connect to and support long-term conservation of Kirtland's Warbler
3. Share details and information across and out from priority subcommittees of the KW Conservation for deeper discussion and coordination
4. Continue to gather feedback from attendees and evaluate meeting/communications elements of the KW Conservation Team

Tuesday, April 3rd
